

Quiz New Season Start

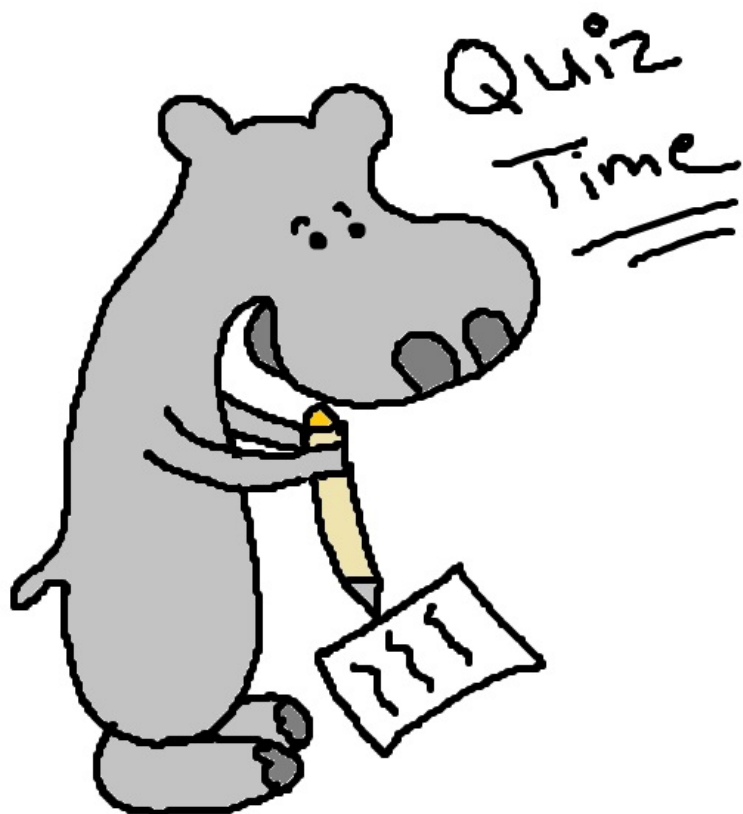

First of all, big congratulations to the 'BUSY BEES' the winner's of our last U3A Fun Quiz. It was a close run thing with 'The Jerms' coming in second after these two top teams frequently changed paces over the successive weeks.. The notable thing though was that many of the teams, that originally struggled, grew stronger as the quiz progressed and as the individual teams became consolidated with an established and firm player base.

Our new season starts on WEDNESDAY 14th September and once again the venue will be RESTOLAKE.

Whist we welcome back all of the existing and established teams it would be great to have some new teams join in the fun.

A team comprises of four players, two of whom must be U3A members. Other members not wishing to be part of a regular team are welcome to come along as floating substitutes and swapping around to fill places in teams who are short on the day.

Each team is charged 2 euros per quiz, such funds going towards the cost for the prize (wine or whatever) awarded to the winning team.

THIS IS A FUN QUIZ -The use of mobile phones, to gain an unfair advantage is stickily prohibited, thus during each half of the quiz, all phones must be switched off and kept away from the table.

The answers researched by the quiz master are the only acceptable answers.
