

# Reminder for our MAY EXPLORING CYPRUS OUTING

Our planned outing for May under the banner of 'Exploring Cyprus' will take place on Friday 20<sup>th</sup> May meeting in the at 10 am in the village of Kato Drys, where Janet has organised for us to have brunch at "Jars" in Kato Drys (near Lefkara).

Jars it is a mother and daughter business making home-made jams, pickle and chutney. They offer a comprehensive brunch for €12.50 with the aim of promoting their products and enabling guests to try them out. It is an extensive spread with bread/toast, cheeses and samples of many of their chutneys, scones and various jams, cake, bacon and egg and coffee.

The brunch offers very good value for money, and of course it gives you the opportunity to stock up on jams and chutneys from the shop afterwards.

Since some of you may wish to "make a full day of it", and because mini bus transport is expensive, this outing is **using your own transport.**

Car sharing is obviously an option for those without transport or who prefer not to drive. There is a car park behind the shop.

Kato Drys is a pretty village that has benefitted from a lot of renovation in recent years. There is an interesting bee and honey museum and some local shops and it is also a quiet place to wander around. There is a convent in the next village for anyone interested in visiting churches and Lefkara is fairly close by.

This is likely to be popular if past experience is anything to go by and **places are limited to 10** due to the size of the area for eating, so please book your place early. **Janet needs to know numbers by the 14<sup>th</sup> May latest** so she can confirm with the venue. Please email her (rather than phoning) as follows:-
